https://cablelink-design.vercel.app/cablelink_modern_v2.html#home

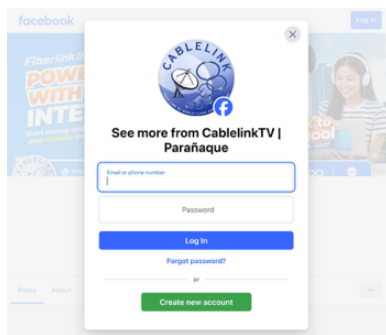

1. Pop-up

a. Privacy Notice

- Instead of full corp name, just use “Cablelink Privacy Policy”, considering the succeeding phrase indicates the full company name.
- Alignment: CABLELINK
Privacy Policy

b. Like us on Facebook

Clarification on “Parañaque”; is this geo-specific based on our address or “visitors” location. Or default? If this can still be modified, better to remove as it “limiting”, or will impressed upon visitors that we are only in “Parañaque”. Considering that we cover more areas than just Parañaque.
